Director, J3 (Operations)
Joint Chiefs of Staff
The Pentagon
Washington, D.C. 20301

Dear Admiral Hardesty:

It is requested that a briefing and tour of the National Military Command Center (NMCC) be arranged for our forthcoming Survey of Intelligence Information Systems course on 05 December 1984. The purpose of this two-week course is to provide Intelligence Community personnel (GS-11 to GS-15 or equivalent military rank) with an introduction to the information handling systems and procedures of the various intelligence agencies and military components. Clearances of SI/SAO or SI/TK are required to attend. There will be approximately 25 participants.

If additional information is needed please contact
